

**ARCHAEOLOGY COLLECTIONS
BIOARCHAEOLOGICAL ASSESSMENT PROCEDURE**

Bioarchaeological assessment of Ancestors in the care of the Mississippi Department of Archives and History is to take place only upon consultation with Tribal representatives who have cultural interest in the state of Mississippi. Information gathered as a result of bioarchaeological assessment is the property of MDAH alone. Photography, inappropriate handling or care, additional disruptive analysis, and publication is prohibited unless otherwise determined as acceptable upon Tribal consultation.

Our partners include:

Alabama-Coushatta Tribe of Texas

Jena Band of Choctaw Indians

Coushatta Tribe of Louisiana

Eastern Band of Cherokee Indians
